

THE DESIGN TEAM

From left to right; Susan Temple, Laura Barnett, Tom Fyfe and Jace March.

Engineering and Design Team

Layher Australasia has an Engineering and Design Team of four staff, headed by our senior engineer, Susan Temple. We can also draw on the experience of our Technical Department at our German Head Office, with its team of approximately 20 engineers.

Susan Temple, MIPENZ CPEng IntPE(NZ)

Senior Engineer

Susan is a registered engineer with 12 years engineering and project management experience in a range of major projects in the UK and New Zealand. In March 2005 she moved to Wellington, working for Mainzeal. In 2009 Susan received a Highly Commended award from the NZIOB for the Young Achiever of the Year. Susan is responsible for all aspects of our engineering advice and design.

Jace March, BE, Engineer

After completing his engineering degree at the University of Sydney, Jace travelled to the United Kingdom where he worked in London as a Rebar Engineer/QA and with Offshore Design Engineering. On his return to Australia earlier this year, Jace worked for a surveying and engineering consultancy firm based in

Port Macquarie, as well as Austress Freyssinet, a civil engineering company which specialises in post-tension concrete. Jace joined the Layher Design Team as engineer based in our Sydney office in April 2010.

Laura Barnett, ODAD NDAT and **Tom Fyfe**, ODAD NDAT Technical Designers

Both Tom Fyfe and Laura Barnett are graduates of Otago Polytechnic with National Diplomas in Architectural Draughting, and both have done further training in Layher's Technical Department in Germany. Tom also spent three months with Layher Sweden undertaking further training with their engineer, and has since started studying towards his own engineering qualification. Tom has worked in Layher's Technical Department since November 2006, and Laura since July 2007.
